

Funds Signatory to the International Reciprocal Agreements

Reciprocity depends on the diligence of users, both fund administrators and travelling members alike. It is critical in this period of limited work opportunities that members travelling for work not lose their continued healthcare coverage to untimely reciprocal transfers. We remind travelling members of the importance of forwarding their blanket authorization forms to the Reciprocal Clearinghouse and the Local fund offices of the jurisdictions they are working in. We also urge our officers to work with their Local fund offices to optimize the efficiency of reciprocity and ERTS by ensuring that all transfers are processed in a timely manner. Keep in mind that the International Reciprocal Agreements require that contributions be forwarded within 30 days after receipt by the travelling jurisdiction's fund and on a monthly interval thereafter.
